I would like to introduce myself to you. I am Brent Connell; I am the current President of the Michigan State Firemen's Association and a Lt with the Elba Twp FD and a firefighter with the Grand Blanc Twp FD with 36 years in the fire service. I would like to thank you for your continued support to the Lapeer County Firefighters, the MSFA and the Firefighters of the State of Michigan. I am pleased to announce that the 151st Annual Michigan State Firemen's Conference will be held May 29th & 30th at the Metamora Lions Club located in Metamora, MI and our Annual Golf Outing at the Metamora County Club. We will be planning a great weekend of fun and training. As always, we will offer multiple opportunities for growth and networking.

I would like to invite you to become a partner for the 2026 Conference. There are multiple areas where the conference could use your help. All our sponsors will be recognized multiple times during the weeks leading up to our conference on our social media sites. All sponsors will have a sign placed at the Metamora County Club course during our annual golf outing on Friday May 29th. Your name or organization will be printed in our event program. Some sponsors will have the opportunity to speak during the evening program; you will be thanked during both the opening ceremony and evening program. Depending on the sponsorship you could even have a display booth set up all day in the conference center hallway.

If this is something you or your organization is interested in supporting, please contact me at 810-614-6490 or the MSFA Office at 810-635-9513.

Thank you for considering sponsoring the 151st MSFA Annual Conference. Suggested sponsor levels are listed on the next page.

Brent Connell, MSFA President
